We are deeply concerned by these issues and require you to immediately cease all further installations and operations of the 5G program, until such time as all legal and lawful requirements are met and satisfied, and confirmed in written correspondence, dutifully signed as a lawful document.

We require you to cause any and all activities which are or will be in violation of the laws and legislation addressed throughout this letter to be halted within twenty-eight (28) days of receipt of this Notice. Failure to do so shall be construed as wilful assault upon the people of this land, which carries severe penalties under State and Federal and international laws.

This Notice will be used as evidence in Court, if required.

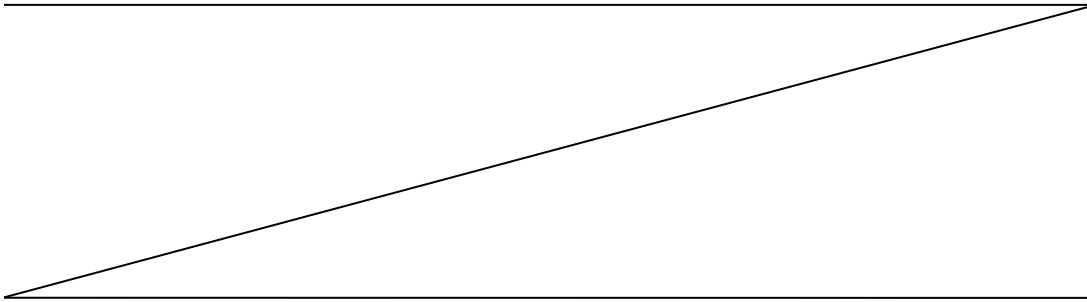

We trust that you understand,
